Dear Dr. Bredig,

As soon as possible, would you be so kind as to inform me by airmail when your father, Professor of Chemistry Georg Bredig, passed away?

Under his portrait, it will read: Georg Bredig, born October 1, 1868 in Glogau, died \_\_\_\_\_ 1947 in New York.

I would also like to inquire where Professor Bredig died. I would be very grateful for your

assistance.

Sincerely,

F. Raab
