26 October 1939

Dear Son,

All three of us are sending you warm regards again today. There is nothing new to report. We are healthy. We received the two letters from Lise in an envelope that you sent. We only received your two airmail letters from September 24th. We wrote to you on October 8th and 16th.

We are thinking of you with affection! □□□□□□ Many greetings from Father, Marianne and Viktor
